Ooh ooh ooh ooh ooh

People are talkin', talkin' about people
I hear them whisper, you won't believe it
(Ah ha)
They think we're lovers kept under covers
(Ooh hoo)
I just ignore it, they keep sayin'

Laugh just a little too loud
(A little too loud)
Stand just a little too close
(Too close)
Stare just a little too long
Maybe they're seein', somethin' we don't darlin'

Let's give 'em somethin' to talk about
(Somethin' to talk about)
Let's give 'em somethin' to talk about
(Somethin' to talk about)
I want a little somethin' to talk about
I want your love
(Love love love love)

Well I feel so foolish, I've never noticed that
(Ah ha)
Baby you're actin' so nervous like you're fallin'
(Ah ha)
It took a rumor to make me wonder
(Ooh hoo)
Now I'm convinced that they're goin' under
An I think 'bout you everyday
(Everyday)
Dreamin' 'bout you every night
(Every night)
Hopin' that you feel the same way
Now that we know it, let's really show it baby
(Darlin')

When you come there'll be somethin' to talk about
(Somethin' to talk about)
A little mystery to figure out

(Somethin' to talk about)
I want you somethin' to talk about
I want your love
(Love love love love)

Give 'em something to talk about, babe
I got some mystery, Why don't you just figure out?
Let's give them somethin' to talk about
How about love?
(Love love love love)

Ooh hoo let's give 'em somethin'
(Somethin' to talk about)
Hey a mystery won't hurt
(Somethin' to talk about)
There is somethin' to talk about
How about love? Alright
(Love love love love)

(Somethin' to talk about)
(Somethin' to talk about)
(Love love love love)
