Now I don't wanna lose you  
But I don't wanna use you  
Just to have somebody by my side  
And I don't wanna hate you  
I don't wanna take you  
But I don't wanna be the one to cry

And I don't really matter to anyone any more  
But like a fool I keep losing my place  
And I keep seeing you walk through that door

But there's a danger in loving somebody too much  
And it's sad when you know it's your heart you  
can't trust  
There's a reason why people don't stay where they  
are  
Baby sometimes love just ain't enough

Now I could never change you  
And I don't wanna blame you  
Baby you don't have to take the fall  
Yes I may have hurt you  
But I did not desert you  
Maybe I just wanna have it all

It makes a sound like thunder  
It makes me feel like rain  
And like a fool will never see the truth  
I keep thinking something's gonna change

But there's a danger in loving somebody too much  
And it's sad when you know it's your heart you  
can't trust  
There's a reason why people don't stay where they  
are  
Baby sometimes love just ain't enough

And there's no way home  
When it's late at night and you're all alone  
Are there things that you wanted to say  
And do you feel me beside you in your bed  
There beside you where I used to lay

And there's a danger in loving somebody too much  
And it's sad when you know it's your heart they  
can't touch  
There's a reason why people don't stay who they are  
Baby sometimes love just ain't enough  
Baby sometimes love, it just ain't enough
