When will I learn to take you on my journey?  
When will I see, yeah, that you belong to me?  
When will I learn to take you on my journey?  
When will I see, yeah, that you belong with me?

Sweet forgiveness  
How could you go, my babe?

I never really knew that I needed you  
But you were right there understanding  
Honey, you set my sail  
When will I learn to take you with me everywhere?

When will I learn?  
(Sweet forgiveness)  
Sweeter than honey  
Give me that sweet forgiveness  
Sweeter than wine

Did you ever get lost in a bundle of nerves?  
Did you ever get lost in a jungle of your own words?  
You hurt another, hurt a brother, you hurt a sister or a  
lover  
And then you know right then you got to just sit back  
And wait for the cure

Sweet forgiveness  
How could you go, my babe?

I never really knew that I needed you  
But you were right there understanding  
Honey, you set my sails  
When will I learn to take you with me everywhere?

When will I learn?  
(Sweet forgiveness)  
Sweeter than honey  
Give me that sweet forgiveness  
Sweeter than wine

Give me that sweet forgiveness  
Sweeter than honey

Give me that sweet forgiveness  
Sweeter than wine

(Sweet forgiveness)  
Give me that sweet forgiveness, baby  
Sweeter than honey  
(Sweet forgiveness)  
Sweeter than wine

Have to give it to me baby  
(Sweet forgiveness)  
Sweeter than wine  
(Sweet forgiveness)  
Sweeter, sweeter, sweeter than honey  
(Sweet forgiveness)  
Sweeter than wine
