The time has come, boy, yesterday is here
I said, the time has come, now baby
For you and me to get a few things clear

I might be right or I might be wrong
What does it matter if I'm weak or strong?
I might be rich, I might be poor
Please don't you ever close that door

[Incomprehensible] talk to me
Tell me what is on your mind
You better tell me, baby
Tell me while there's still enough time

Well, I gave you everything that I had
Now you're sayin' you're a little bit mad at me
I taught you everything I knew

There ain't too much more I can do for you
You feel there's somethin' wrong
Then you'll have to tell me it's wrong

You know it too
There's somethin' wrong with you
Don't hold it in
Come on, baby, I'm still your friend

Why don't you talk to me?
Tell me what is on your mind
Now you better tell me, baby
Tell me while there's still enough time

I might be right or I might be wrong
What does it matter if I'm weak or strong?
I might be rich, I might be poor
Please don't you ever close that door

[Incomprehensible] talk to me
Tell me what is on your mind
You better tell me, baby
Better tell me while there's still enough time
