I wonder how many teardrops gonna fall tonight?
I wonder how many heartaches gonna a woman have in
one life?

I lost a lover, lost my friend
I'm through with love, I just can't win

I'm a three time loser, three time loser

I wonder how many hours for true love I will have to
wait
I wonder how many heartaches for true love I will have
to wait

Lost love once, lost love twice
What kind of love is worth that price

Three time loser
One two three into into three
A three time loser

I wonder how many hours for true love I will have to
wait
I wonder how many heartaches for true love I will have
to wait

I lost a lover, lost my friend
I'm through with love and I just can't win

Three time loser babe
One two three into into three
Three time loser

Lost love once, lost it twice
What kind of love is worth that price

Three time loser babe, see I'm three time loser babe
