"To Soon To Tell"

So now there's somebody new
These dreams I've been dreaming have all fallen
through
You say I'll be fine, it only takes time
Someday that may be true

But it's too soon to tell
Why it's too soon to say
Maybe someday I'll be able to wish you well
But right now it's just too soon to tell

It's all for the best, so you say
You never intended to hurt me this way
You want to hear, I won't drown in my tears
Well, baby the best that I can say

Is it's too soon to tell
Why it's too soon to say
Maybe someday I'll be able to wish you well
But right now it's just too soon to tell

Well right now it's just too soon to tell
Ooh, too soon to tell
