Doctor Feelgood sleepin' on a concrete bench
Can I get a witness?
Miss South Carolina 1975, somebody stole your crown.
You were sleeping in your happy home, when you woke
up baby,
Your life had come and gone. Now you're
mystified, standing with the rest of us
Who used to rule the world.
Brother Lovejoy rappin' up a blue streak
Can I get a witness?
Miss Hurricane can't keep your hands still long
enough to count your change.
You were wrapped up in your daily grind, the cost of
living
It didn't even cross your mind. Now you're
mystified, standing with the rest of us
Who used to rule the world.
Mr. Blueprint used to have it figured out
Now you can't find your car.
Miss Cocktaill dress standing at the bathroom sink
looking for a back way out.
You can't believe your very eyes. Everything that
you were counting on was nothing but a pack of lies.
Now you're mystified, standing with the rest of us
Who used to rule, used to rule, used to rule the world.
