Mary Mac, dressed in black  
Silver buttons up and down her back  
How low tips her toe?  
She broke the needle and she can't sew

Walkin' that dog  
Just a walkin' the dog  
If you don't know how to do it  
I'll show you how to walk the dog

Now, listen here  
I asked my mama for fifteen cents  
See that elephant, now, jump the fence  
He jumped so high, he touched the sky  
And never got back till the fourth of July

Walkin' the dog  
Just walkin' the dog  
But if you don't know how to do it  
I'll show you how to walk that dog  
Walk it now, walk it, baby

Mary, Mary, quite contrary  
Tell me, baby, how does your garden grow?  
You got silver bells and cockleshells  
[Incomprehensible] maids in a row

A walkin' the dog  
Just a walkin' the dog  
If you don't know how to do it  
I'll show you how to walk the dog

Hey, hey, hey, turn it up, turn it up, turn it up  
Walkin', a walkin'  
A hey, hey, turn it up, turn it up, turn it up  
Walkin', a walkin'  
If you don't know how to do it  
I'll show you how to walk the dog

Hey, hey, hey, turn it up, turn it  
Just walkin', a walkin'  
Hey, hey, can't you see

Just walkin'  
If you don't know how to do it  
I'll show you how to walk the dog

Hey, hey, hey, come on, baby  
Hey, hey, hey, just a walkin', walkin the dog  
Hey, hey, hey, hey baby, just walkin' the dog  
Hey, hey, hey  
If you don't know how to do it  
I'll show you how to walk the dog

That leash, baby, bring it over here
