Women be wise, keep your mouth shut, don't advertise  
your man

Don't sit around gossiping, explaining what your good  
man really can do

Some women nowadays, Lord they ain't no good

They will laugh in your face, Then try to steal your man  
from you

Women be wise, keep your mouth shut, don't advertise  
your man

Your best girlfriend, she might be a highbrow, she  
changes clothes 3 times a day

What do you think she's doing now, while you're so far  
away

She's loving your man in your own damn bed

You better call for the doctor, mama, try to investigate  
your head

Women be wise, keep your mouth shut, don't advertise  
your man

Women be wise, keep your mouth shut, don't advertise  
your man

Don't sit around, girl, telling all your secrets,

telling all those good things he really can do

If you talk about your baby, you tell me he's so fine

Lord honey, I just might sneak up and try to make him  
mine

Women be wise, keep your mouth shut, don't advertise  
your man

Don't be no fool, don't advertise your man (baby don't  
do it)
