At last the flaming arrows  
Fall like heavy rain upon me

And I am sailing towards  
The vastness of the endless sky...

In Valhalla I will dine tonight  
Like all heroes in the sky!  
In my dreams, a Valkyrie  
To take me to the sky!  
There is no death tonight  
I'm a hero in the sky!  
Don't let my mother cry  
I'm a hero in the sky

When the enemy spears  
Formed lines full of thorns  
I fell without a tear  
I lived and died by the sword

In Valhalla I will dine tonight  
Like all heroes in the sky!  
In my dreams, a Valkyrie  
To take me to the sky!  
There is no death tonight  
I'm a hero in the sky!  
Don't let my mother cry  
I'm a hero in the sky

Red on white across the vale  
Blood on the snow is spilled  
My battlecry did win the day  
By my hand a king was killed!

In Valhalla I will dine tonight  
Like all heroes in the sky!  
In my dreams, a Valkyrie  
To take me to the sky!  
There is no death tonight  
I'm a hero in the sky!  
Don't let my mother cry

I'm a hero in the sky
