Force the rhythm, force the mood
Giving me that dry stuff
Force the rhythm, force the mood
Don't give me that dry stuff

Force the rhythm, force the mood
Giving me that dry stuff
Force the rhythm, force the mood
Don't give me that dry stuff

Don't give me that dry stuff
I need more of that wet stuff
Don't give me that dry stuff
I need more of that wet stuff
I need more of that wet stuff

Force the rhythm, force the mood
Giving me that dry stuff
Force the rhythm, force the mood
Don't give me that dry stuff

Force the rhythm, force the mood
Giving me that dry stuff
Force the rhythm, force the mood
Don't give me that dry stuff

Don't give me that dry stuff
I need more of that wet stuff
Don't give me that dry stuff
I need more of that wet stuff
I need more of that wet stuff

I need more of that wet stuff
I need more of that wet stuff
I need more of that wet stuff
