(Amy Nelson)

I love the way you hurt me without trying  
And the way you speak to me with your embrace  
Sometimes when you're asleep and I am crying  
I can just make out the smile across your face

Crashing cars, loving you n' busting fences  
Destructive things that I've been know to do  
So if I never do come to my senses  
This reckless heart will go on loving you  
Loving you

I'd rather be a broken heart that's running  
Along a road that sure to take me down  
Than a heart that's never broke but knows it's coming  
We were born to love and love is trouble bound

Crashing cars, loving you n' busting fences  
Destructive things that I've been know to do  
So if I never do come to my senses  
This reckless heart will go on loving you  
Loving you

Can't go living  
Can't on Dying  
Can't on feeling Blue

Can't get over you  
There's no use in trying  
I never tried  
And I don't want to

Someday when I am wise my mind my wander  
To a better place, another point of view  
Maybe then I have the time to sit and ponder  
That's what I'll do  
When I'm through

I'll go back to  
Crashing cars, loving you n' busting fences  
Destructive things that I've been know to do

So if I never do come to my senses  
This reckless heart will go on loving you  
Loving you
