There's many feelings between us
And I don't know, What I Feel The Most
I wish this wasn't how we were
But I can't, ignore the fact that

From sunrise to sunset
I wish that you were gone
From sunrise to sunset
I wish that I had known
That you didn't love me
The way that I thought you did
And now the casket is open
And I am ready to close the lid

But there is nothing that I can do
To Take You Back, To The Good Times
Because they have gone and passed
And I cant, Ignore the fact that
From sunrise to sunset
I wish that you were gone
From sunrise to sunset
I wish that I had known
That you didn't love me
The way that I thought you did
And now the casket is open
And I am ready to close the lid

From sunrise to sunset
I wish that you were gone
From sunrise to sunset
I wish that I had known
That you didn't love me
The way that I thought you did
And now the casket is open
And I am ready to close the lid
