Looking out on the morning rain I used to feel
uninspired
And when I knew I'd have to face another day
Lord, it made me feel so tired
Before the day I met you life was so unkind
Your love was the key to my peace of mind

'cause you make me feel, you make me feel
You make me feel like a natural woman

When my soul was in the lost and found
You came along to claim it
I didn't know just what was wrong with me
'till your kiss helped me name it
Now I'm no longer doubtful of what I'm living for
'cause if I make you happy I don't need to do more
You make me feel, you make me feel
You make me feel like a natural woman
Oh, baby, what you've done to me! (what you've done
to me!)
You make me feel so good inside (good inside)
And I just want to be (want to be) close to you
You make me feel so alive!

You make me feel, you make me feel
You make me feel like a natural, natural woman
You make me feel, you make me feel
You make me feel like a natural, natural woman
You make me feel, you make me feel
You make me feel like a natural, woman, a natural
woman
