(harold faltermeyer/ chris thompson)  
Producers for bonnie: harold faltermeyer/ brian reeves  
Recorded in 1990 for the film 'fire, ice and dynamite'  
starring roger moore. lyrics taken from careful  
listening.

You gotta breakout!  
Speak out, in the world out there  
Impossible dreams can take you where  
Ooh ooh, you can win it all  
Speak out, it's the way you feel  
Reaching out can make it real  
Ooh ooh, together we can win it all  
No more living in a golden cage  
There's only one way you're gonna go front page

Chorus:  
Ooh, you gotta breakout now  
You gotta break out now  
You gotta break out  
You're taking on the world  
Ooh, you gotta breakout now  
You gotta break out  
It's a full scale shake out  
You're taking on the world  
Ooh, you gotta break out now  
You gotta break out now  
You gotta breakout  
You're taking on the world  
You gotta break out  
It's a full scale shake out  
You gotta breakout  
You're taking on the world  
Taking on the world...tonight

Like a cat, on a hot tin roof  
It don't take long to see the proof  
You can do, anything you want to do  
Push it to the limit, don't ever stop  
There's only one way you're gonna get on top

(chorus)

Taking on the world  
Breakout now  
Breakout now  
You're taking on the world  
Breakout now  
Breakout now  
You're taking on the world

No more living the under-dog  
There's only one way you're gonna get on top

(chorus)  
Tonight, tonight, tonight...(repeat chorus and fade)
