When you're weary, feelin' small  
When the tears are in your eyes  
I will dry them all

Oh, I'm on your side  
When times get rough  
And friends just can't be found

Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down

When you're down and out  
When you're on the street  
When evening falls so hard, I will comfort you

I'll take your hand  
When darkness comes  
And pain is all around

Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down

Sail on silver girl, sail on by  
Your time has come to shine  
All your dreams are on their way, hey

See how they shine  
Oh, if you need a friend  
I'm sailing right behind

Like a bridge over troubled water  
I will ease your mind  
Like a bridge over troubled water  
I will ease your mind  
I will ease your mind
