Na na na na na
Na na na na na
Na na na na nana na na na na

Na na na na na
Na na na na na
Na na na na nana na na na na
Let's celebrate and have a good time

We got the power
We can be one
Let us celebrate, you know the party's begun
Yes I can feel you
Gettin' on down
Just take these good vibes
And spread them around

Na na na na na
Na na na na na
Let's celebrate and have a good time

Everybody laugh (celebrate)
Everybody dance (good times, yeah)
What a celebration, good times and romance

I gotta love
I wanna play
I wanna know if I can go all the way

I gotta sing, yeah
Really gonna live
I've got so much inside that I've got to give

Na na na na na (celebrate)
Na na na na na (with me) (oh yeah)
Everybody dance (good times, yeah) (oh, yeah)
What a celebration, good times and romance

[Ad lib:]
All the world

Will feel it
Can you feel it?
We got the power
Gettin' on down
Come on and sing it
Really gonna live
Let's celebrate
