Recorded in 1978 as a b-side to the single 'here am  
i', my personal favourite rca song! - best ad libbing I've  
ever heard. also, two recordings of this song exist.  
lyrics taken from careful listening.

Take me out of the mood I'm in  
I don't care what you do  
I'm just glad that the one I'm with is you  
Ooh, I don't know what I wanna say  
Only know how I feel  
Tomorrow's more than a mile away from here

Oh, don't stop the music  
I need it to dance  
Don't stop the music, not now  
No, no, no, no  
Don't stop the music  
I need some romance  
Don't stop the music, not now

Ad libs...

Oh, I don't know where I'm going to  
I don't know that I care  
It's one of those nights  
When the music takes me there  
Ooh, take me out of the mood I'm in  
Dance me out of my mind  
It's one of those nights  
That I just can't leave behind

Oh, don't stop the music  
I need it to dance  
Don't stop the music, not now  
No, no, no, no  
Don't stop the music  
I need some romance  
Don't stop the music, not now

Ad libs...

Don't stop the music  
I need it to dance  
Don't stop the music, not now  
Don't stop the music  
I need it to dance  
Don't stop, not now  
Don't stop, don't stop  
I need it to dance  
Don't stop, don't stop, not now  
Don't stop the music  
I need it to dance  
Not now...
