(Karen Drotar - Bonnie Tyler/Erick Stesyck - St. James II - John Stage)

Baby, I don't understand  
What I feel holdin' your hand  
How I'm wantin' you!  
What else, then, can I do?

Though I know this love just can't be right  
I dream about your body day and night

Yeah, holdin' me so tight

Drivin' me crazy now  
Need to keep you around  
This feeling that I've found  
Knocks my feet off the ground  
Drivin' me crazy now  
Oh, This love won't let me be  
It's deep inside of me  
This is our destiny

Best things always come unplanned  
When I saw you I was damned  
Your soul spoke to me  
And heard my silent plea

Aching for your touch always sublime  
Wanna see you baby, one more time

And maybe I'll be fine

Drivin' me crazy now  
Need to keep you around  
This feeling that I've found  
Knocks my feet off the ground  
Drivin' me crazy now  
Oh, this love won't let me be  
It's deep inside of me  
This is our destiny

And I know this love can not be wrong

When I'm with you startin' to belong

I feel it so strong

Drivin' me crazy now  
Got to keep it untold  
Our story will unfold  
Passion so uncontrolled  
Drivin' me crazy now  
Although we've lived different lives  
I know our love will survive  
And harmony will thrive

Drivin' me crazy now  
Need to keep you around  
This feeling that I've found  
Knocks my feet off the ground  
Drivin' me crazy now  
This love won't let me be  
It's deep inside of me  
This is our destiny
