(desmond child/ michael bolton/ diane warren)

Producer for cher: desmond child

Recorded in 1989 for cher's ' love hurts' album. bonnie did backing vocals with, among others, michael bolton. lyrics taken from uk album sleeve.

I can't wait 'til I see you baby
I can't wait 'til the night comes fallin' down
I gotta see you again
And even if it couldn't be forever
I'd trade a lifetime for this night together
Hold on, hold on...

My heart is burning with the heat of this
Emotional fire
Every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire
Baby feel warm, give me some
Emotional fire
Emotional fire...

There's a feelin' when I'm here beside you
Couldn't leave you and I wouldn't try to
Baby, I'd only need you again...
There ain't nothing that can break this fever
The love gets stronger and the passion deeper
Hold on, hold on...

I can't let go 'cause there ain't no stopping this
Emotional fire
Every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire
Baby feel warm, give me some
Emotional fire
Emotional fire...

I can't wait until I see you baby
I can't wait 'til the night comes fallin'
Hold on, hold on..

My heart is burning with the heat of this
Emotional fire
Every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire
Baby feel warm, give me some
Emotional fire...emotional fire...emotional fire
