Oh I was so in love - then you broke my heart
I'll never understand - the rules of love
You said to me - true love never dies
- you said to me
Now I'm sleeping with a memory, yeah!

*there is a fire in my soul
Burning don't you know
Can you hear it on the radio
Fire in my soul
Out of my control
Said you love me then you let me go

**oh, oh, can you hear it on the radio
Oh, oh, can you hear it on the radio

Oh, it's just like a dream - you're mine
When I saw you - the very first time
You looked at me - with those eyes
You said you loved me - I believed your lies
Why do you keep me hangin' on the line
The love you gave me - it's just a waste of time
There is a fire burning up my soul

*repeat

** repeat

Oh I was so in love - then you broke my heart
No, no this love will never die

I should have seen - should have known
When you told me - you had to go
So naive - you know
You'd burn me up - then you'd let me go
Why do you keep me hangin' on the line
The love you gave me - it's just a waste of time
There is a fire burning up my soul
