There were times  
When I was young and free  
And I said I'll need nobody  
Only you eternally  
But tonight I'm feelin' so alone  
And I know I need somebody  
But your heart is made of stone  
And I know I need somebody  
But your heart is made of stone

\*tonight don't last forever, babe  
Tonight my dreams can come true, baby  
Cause there's no mountain high enough  
If God gave love to you

All my dreams are just memory  
Of a river full of love, babe  
To my endless destiny  
Oh you said you'd make  
My dreams come true  
But I have never been so lonely  
I have never been so blue  
Oh I need, I need your love, babe  
And you know you need me, too

(\*repeat)

Oh if God gave love to you, no

Oh no, oh no no no no no no no no

(\*repeat)

Oh baby, God gave love to you  
Oh baby, baby, God gave love to you
