This love you give me baby  
I do believe in  
'Cause while the world goes crazy  
You keep me breathing  
And if you had to leave me  
I couldn't let you  
And the way that my arms have held you  
They can't forget you

Hey love, it's a feeling inside  
Hey love, it's a feeling that I can't describe  
Hey love, it's a feeling that I just can't hide  
Now I know, Lord how I know  
Now I know what it's like

This love you give me baby  
Ooh, keep on giving  
'Cause while the world goes crazy  
You keep me living  
And if you had to leave me  
I couldn't let you  
And the way that my arms have held you  
They can't forget you

Hey love, it's a feeling inside  
Hey love, it's a feeling that I can't describe  
Hey love, it's a feeling that I just can't hide  
Now I know, Lord how I know  
Now I know what it's like

Hey love, it's a feeling inside  
Hey love, it's a feeling that I can't describe  
Hey love, it's a feeling that I just can't hide  
Now I know, Lord how I know  
Now I know what it's like

Hey love, it's a feeling inside  
Hey love, it's a feeling that I can't describe  
Hey love, it's a feeling that I just can't hide  
Now I know, Lord how I know  
Now I know what it's like
