If you want my love
You've only got to take it
And if you get my heart
Do anything but break it

And if you wanna know the truth
I think about you only
And whatever I'm doin'
You're never out of my mind

Oh, I believe in your sweet love
Oh, I believe in your sweet love

There's a way you've got
Something in the mixture
As the night goes on
You could become a fixture

Oh, I believe in your sweet love
Oh, I believe in your sweet love

Oh I, I, I believe
Oh I, I, I believe

If you want my love
You've only got to take it
And if you get my heart
Do anything but break it

Oh, I believe in your sweet love
Oh, I believe in your sweet love

I believe in your sweet love
I, I, I believe
Oh, I, I, I believe
Oh, I believe, I believe in your sweet lovin'

I, I, I believe
Oh yeah, I believe, I believe in your sweet love
I believe in your sweet love
Oh, I, I, I believe

Oh, I believe in your sweet love
Oh, I believe in your sweet love
Oh, I, I, I believe, I believe, I believe
I, I, I believe
