Producers for bonnie: alan d'arby & david madiran

Recorded in 1991 as a b-side to the 'bitteblue' single. it also found it's way onto the b-side of the 1991 re-release of 'holding out for a hero' (slightly extended version) and the 1993 compilation 'the very best of...', where it was incorrectly billed as 'previously unreleased' . lyrics taken from careful listening.

There is a shadow rolling over my heart  
Like a cloud across the moon  
There is a devil on my shoulder  
Spreading his light into my room

Broken head and empty heart  
Shattered mind that's torn apart  
I fall, I stumble into the night  
I can't leave your love alone  
I can't leave your love alone

A wicked wind beats at my window  
Telling me that I'm no good  
There's no life in this bleak desert  
There's no life, without you

Broken head and empty heart  
Shattered mind that's torn apart  
I fall, I stumble into the night  
I can't leave your love alone  
I can't leave your love alone

Broken head and empty heart  
Shattered mind that's torn apart  
I fall, I stumble into the night  
I can't leave your love alone  
I can't leave your love alone

I can't leave your love alone  
I can't leave your love alone  
I can't leave your love alone  
I can't leave your love alone  
I can't leave your love alone

I can't leave your love alone
