Recorded in 1978 as a b-side to 'hey love (it's a feelin')'. lyrics taken from careful listening.

It's about time
We stopped foolin' around
'cause I can't go on loving like this
It's about time
You got closer to me
It's alright for a while
But we're more than a mile apart

Are we just playing at lovers
Doing the right thing to do
I'm always running for cover
When I ought to be running to you
Sometimes you're more like a stranger
And baby I think I've lost you
Feels like I'm heading for danger
When I ought to be heading for you

It's about time
We stopped foolin' around
'cause I can't go on loving like this

Are we just playing at lovers
Doing the right thing to do
I'm always running for cover
When I ought to be running to you
Sometimes you're more like a stranger
And baby I think I've lost you
Feels like I'm heading for danger
When I ought to be heading for you

It's about time
We stopped foolin' around
'cause I can't go on loving like this
It's about time
You got closer to me
It's alright for a while
But we're more than a mile apart

Stop foolin' around
Get closer to me
I'm always running for cover
What you're doing to me
It's about time
More than a stranger
It's alright for a while
But we're more than a mile apart
