Girl:

When the sky is falling and you're looking round for
somewhere to hide

Did you ever call out to someone

Did you ever call out to me, I've never been gone-
I've been right here by your side

There ain't nothin' but clouds

There ain't nothin' but clouds in your eyes

Why don't you believe it when you finally found the
truth

You've been drinking poison water from the fountain of
youth

Why don't you stop tearing up everyone you need the
most

You're so busy trying to get even

You never even try to get close

I can't explain it away

It doesn't make any sense

To know what it's like

I guess you gotta go through it

It doesn't matter baby

Loving you's a dirty job

But somebody's gotta do it

Boy:

There were times when we'd never fake it

There were times when we'd always make it

There were times when we'd take it to the limit

And we'd never, never, ever leave each other alone

We were flesh and blood and bone

There were times we had it all

There were times we had it all

(Alt Same)

Both:

There were times when we took our chances

There were times we were damn good dancers

There were times when we heard all the answers

In the beating of the drummer and the riches of the
rock and the roll

I can see right through your soul

There were times we had it all
There were times we had it all
Boy:
If your fears could only be forgotten
We could pull all of the barriers down
Would you follow your dreams' desire
Would you follow your secret dreams and forbidden
fire
