(feat. Todd Rundgren)

[Girl:]

When the sky is falling and you're looking round for  
somewhere to hide

Did you ever call out to someone

Did you ever call out to me, I've never been gone-

I've been right here by your side

There ain't nothin' but clouds

There ain't nothin' but clouds in your eyes

Why don't you believe it when you finally found the  
truth

You've been drinking poison water from the fountain of  
youth

Why don't you stop tearing up everyone you need the  
most

You're so busy trying to get even

You never even try to get close

I can't explain it away

It doesn't make any sense

To know what it's like

I guess you gotta go through it

It doesn't matter baby

Loving you's a dirty job

But somebody's gotta do it

[Boy:]

There were times when we'd never fake it

There were times when we'd always make it

There were times when we'd take it to the limit

And we'd never, never, ever leave each other alone

We were flesh and blood and bone

There were times we had it all

There were times we had it all

[Both:]

There were times when we took our chances

There were times we were damn good dancers

There were times when we heard all the answers

In the beating of the drummer and the riches of the  
rock and the roll  
I can see right through your soul  
There were times we had it all  
There were times we had it all

[Boy:]  
If your fears could only be forgotten  
We could pull all of the barriers down  
Would you follow your dreams' desire  
Would you follow your secret dreams and forbidden  
fire  
Let's just peel out of this town

[Both:]  
It's been nothing but dreams  
It's been nothing but dreams until now

[Boy:]  
You're never gonna see it

[Both:]  
You got your head stuck in the sand

[Boy:]  
It's the land of the free and easy Street

[Girl:]  
It's the home of the damned

[Boy:]  
You're never gonna see it

[Both:]  
You better open up your eyes

[Girl:]  
You're the only one who's left-

[Both:]  
Who's gonna believe all your lies

[Boy:]  
I can't explain it away  
It doesn't make any sense

[Both:]  
To know what it's like  
I guess you gotta go through it  
It doesn't matter baby

[Girl:]  
Loving you's a dirty job  
But somebody's gotta do it

[Boy:]  
There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen

[Both:]  
To the pounding, pounding [Chorus] of our desperate  
hearts  
Nothing could have torn us apart  
There were times we had it all  
There were times we had it all

[Girl:]  
There were times when we fought like tigers  
There were times we were damn good liars

[Boy:]  
There were times we extinguished every fire

[Both:]  
That was burning, burning, burning up each other alive  
From the heavens on down to the dives  
There were times we lost it all we lost it all  
There were times we lost it all we lost it all

There were times when we fought like tigers  
There were times we were damn good liars

There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen  
To the pounding, pounding [Chorus] of our desperate  
hearts  
Nothing could have torn us apart  
There were times we had it all  
There were times we had it all
