Girl:

When the sky is falling and you're looking round for
somewhere to hide

Did you ever call out to someone

Did you ever call out to me, I've never been gone-

I've been right here by your side

There ain't nothin' but clouds

There ain't nothin' but clouds in your eyes

Why don't you believe it when you finally found the
truth

You've been drinking poison water from the fountain of
youth

Why don't you stop tearing up everyone you need the
most

You're so busy trying to get even

You never even try to get close

I can't explain it away

It doesn't make any sense

To know what it's like

I guess you gotta go through it

It doesn't matter baby

Loving you's a dirty job

But somebody's gotta do it

Boy:

There were times when we'd never fake it

There were times when we'd always make it

There were times when we'd take it to the limit

And we'd never, never, ever leave each other alone

We were flesh and blood and bone

There were times we had it all

There were times we had it all

(Alt/ Same)

Both:

There were times when we took our chances

There were times we were damn good dancers
There were times when we heard all the answers
In the beating of the drummer and the riches of the
rock and the roll
I can see right through your soul
There were times we had it all
There were times we had it all

Boy:
If your fears could only be forgotten
We could pull all of the barriers down
Would you follow your dreams' desire
Would you follow your secret dreams and forbidden
fire
Let's just peel out of this town

Both:
It's been nothing but dreams
It's been nothing but dreams until now

Boy:
You're never gonna see it
Both:
You got your head stuck in the sand
Boy:
It's the land of the free and easy Street
Girl:
It's the home of the damned
Boy:
You're never gonna see it
Both:
You better open up your eyes
Girl:
You're the only one who's left-
Both:
Who's gonna believe all your lies

Boy:
I can't explain it away
It doesn't make any sense
Both:
To know what it's like
I guess you gotta go through it
It doesn't matter baby
Girl:
Loving you's a dirty job
But somebody's gotta do it

Boy:
There were times when our bodies glistened
There were times that we can't stop missing

There were times that we'd lay in bed and listen
Both:
To the pounding, pounding chorus of our desperate
hearts
Nothing could have torn us apart
There were times we had it all
There were times we had it all

Girl:
There were times when we fought like tigers
There were times we were damn good liars
Boy:
There were times we extinguished every fire

Both:
That was burning, burning, burning up each other alive
From the heavens on down to the dives
There were times we lost it all we lost it all
There were times we lost it all we lost it all

There were times when we fought like tigers
There were times we were damn good liars

Both:
There were times when our bodies glistened
There were times that we can't stop missing
There were times that we'd lay in bed and listen
To the pounding, pounding chorus of our desperate
hearts
Nothing could have torn us apart
There were times we had it all
There were times we had it all
