When the sky is falling and you're looking round for  
somewhere to hide  
Did you ever call out to someone  
Did you ever call out to me, I've never been gone-  
I've been right here by your side  
There ain't nothin' but clouds  
There ain't nothin' but clouds in your eyes

Why don't you believe it when you finally found the  
truth  
You've been drinking poison water from the fountain of  
youth  
Why don't you stop tearing up everyone you need the  
most  
You're so busy trying to get even  
You never even try to get close

I can't explain it away, it doesn't make any sense  
to know what it's like, I guess you gotta go through it  
It doesn't matter baby  
Loving you is a dirty job but somebody's gotta go it

There were times when we'd never fake it  
There were times when we'd always make it  
There were times when we'd take it to the limit  
And we'd never, never ever leave each other alone  
We were flesh and blood and bone  
There were times we had it all, there were times we  
had it all  
There were times when we took out chances  
There were times we were damn good dancers  
There were times when we heard all the answers  
IN the beating of the drummer  
and the riches of the rock and the roll  
I can see right through your soul  
There were times we had it all, there were times we  
had it all

If your fears could only be forgotten  
We could pull all of the barriers down  
Would you follow your dreams' desire

Would you follow your secret dreams and forbidden  
fire  
Let's just peel out of this town

It's been nothing but dreams, it's been nothing but  
dreams until now  
You're never gonna see it, you got your head stuck in  
the sand

It's the land of the free and easy street, it's the home  
of the damned  
You're never gonna see it, you better open up your  
eyes  
You're the only one who's left, who's gonna believe all  
your lies

I can't explain it away, It doesn't make any sense  
To know what it's like, I guess you gotta go through it  
It doesn't matter baby  
Loving you is a dirty job but somebody's gotta do it

There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen  
To the pounding, pounding chorus  
of our desperate hearts  
Nothing could have torn us apart  
There were times we had it all, there were times we  
had it all  
There were times when we fought like tigers  
There were times we were damn good liars  
There were times we extinguished every fire  
That was burning, burning, burning up each other alive  
From the heavens on down to the dives  
There were times we lost it all, there were times we lost  
it all

There were times when we fought like tigers  
There were times we were damn good liars

There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen  
To the pounding, pounding chorus of our desperate  
hearts  
Nothing could have torn us apart  
There were times we had it all, there were times we  
had it all
