When the sky is falling and you're looking round for  
somewhere to hide  
Did you ever call out to someone, did you ever call out  
to me

I've never been gone, I've been right here by your side  
There ain't nothin' but clouds, there ain't nothin' but  
clouds in your eyes

Why don't you believe it when you finally found the  
truth  
You've been drinking poison water from the fountain of  
youth

Why don't you stop tearing up everyone you need the  
most  
You're so busy trying to get even, you never even try to  
get close

I can't explain it away, it doesn't make any sense  
To know what it's like, I guess you gotta go through it  
I guess you gotta go through it, I guess you gotta go  
through it  
It doesn't matter, baby

Loving you's a dirty job  
But somebody's gotta do it

There were times when we'd never fake it  
There were times when we'd always make it  
There were times when we'd take it to the limit  
And we'd never, never, ever leave each other alone

We were flesh and blood and bone  
There were times we had it all  
There were times we had it all

There were times when we took our chances  
There were times when we were damn good dancers  
There were times when we heard all the answers  
In the beating of the drummer and the riches of the

rock and the roll

I can see right through your soul  
There were times we had it all  
There were times we had it all

If your fears could only be forgotten, we could pull all  
of the barriers down  
Would you follow your dreams' desire  
Would you follow your secret dreams and forbidden  
fire  
Let's just peel out of this town

It's been nothing but dreams  
It's been nothing but dreams until now

You're never gonna see it  
You got your head stuck in the sand  
It's the land of the free and easy Street  
It's the home of the damned

You're never gonna see it  
You better open up your eyes  
You're the only one who's left  
Who's gonna believe all your lies

I can't explain it away, it doesn't make any sense  
To know what it's like, I guess you gotta go through it  
I guess you gotta go through it, I guess you gotta go  
through it  
It doesn't matter, baby

Loving you's a dirty job  
But somebody's gotta do it

There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen  
To the pounding, pounding chorus of our desperate  
hearts

Nothing could have torn us apart  
There were times we had it all  
There were times we had it all

There were times when we fought like tigers  
There were times we were damn good liars  
There were times we extinguished every fire  
That was burning, burning, burning up each other alive

From the heavens on down to the dives

There were times we lost it all  
There were times we lost it all

There were times when we fought like tigers  
There were times we were damn good liars

There were times when our bodies glistened  
There were times that we can't stop missing  
There were times that we'd lay in bed and listen  
To the pounding, pounding chorus of our desperate  
hearts

Nothing could have torn us apart  
There were times we had it all  
There were times we had it all

It's a dirty job, loving you, baby  
Somebody's gotta do it

It's a dirty job, loving you, baby  
Somebody's gotta do it

It's a dirty job, loving you, baby  
Somebody's gotta do it
