Turnaround

Every now and then I get a little bit lonely and you're
never coming round

Turnaround

Every now and then I get a little bit tired of listening to
the sound of my tears

Turnaround

Every now and then I get a little bit nervous that the
best of all the years have gone by

Turnaround

Every now and then I get a little bit terrified and then I
see the look in your eyes

Turnaround bright eyes, Every now and then I fall apart

Turnaround bright eyes, Every now and then I fall apart

Turnaround

Every now and then I get a little bit restless and I dream
of something wild

Turnaround

Every now and then I get a little bit helpless and I'm
lying like a child in your arms

Turnaround

Every now and then I get a little bit angry and I know
I've got to get out and cry

Turnaround

Every now and then I get a little bit terrified but then I
see the look in your eyes

Turnaround bright eyes, Every now and then I fall apart

Turnaround bright eyes, Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

Cause we'll never be wrong together

We can take it to the end of the line

Your love is like a shadow on me all of the time

I don't know what to do and I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

Forever's gonna start tonight

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

Turnaround bright eyes
Turnaround bright eyes
Turnaround
Every now and then I know you'll never be the boy you
always wanted to be
Turnaround
Every now then I know you'll always be the only boy who
wanted me the way that I am
Turnaround
Every now and then I know there's no one in the
universe as magical and wonderous as you
Turnaround
Every now and then I know there's nothing any better
and there's nothing that I just wouldn't do
Turnaround bright eyes, Every now and then I fall apart
Turnaround bright eyes, Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was falling in love
But now I'm only falling apart
Nothing I can do
A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart
