Recorded in 1975, this was bonnie's first ever recording! lyrics taken from careful listening.

Here I am in the city
With a picture of you in my head
I remember that night
The words you said
You told me I was pretty
With the moon shining down on my hair
I'm hung up on you now
But you're not there

My! my! honeycomb
The bees are buzzing, the birds have flown
Wild, wild honeycomb, leave my honey alone
My! my! honeycomb
The bees are buzzing, I should have known
Sweet, sweet honeycomb, leave my honey alone

Wrote you so many letters
I was hoping you'd answer with flowers
Then I sat by myself
To watch the hours
But you didn't come boy
Not a word, not a call, not a thing
Don't you know how it hurts me
When you sting

My! my! honeycomb
The bees are buzzing, the birds have flown
Wild, wild honeycomb, leave my honey alone
My! my! honeycomb
The bees are buzzing, I should have known
Sweet, sweet honeycomb, leave my honey alone

Leave my honey alone

My! my! honeycomb
The bees are buzzing, the birds have flown
Wild, wild honeycomb, leave my honey alone

My! my! honeycomb
The bees are buzzing, I should have known
Sweet, sweet honeycomb, leave my honey alone
