You can tease me  
You can sweet talk and lead me on  
But believe me  
Won't be long till I'm catching on

Now you left me here with nothing  
And you put my love on hold  
Well there must be something behind those eyes  
Because I believe every lie you told, oh

That ain't no way to treat a lady  
That ain't no way to treat a woman in love  
That ain't no way to treat a lady  
I could of sworn that you'd had enough

So you leave me  
When I'm lonely and in despair  
It intrigues me  
How you don't really seem to care

Well I ain't here for nothing  
And my love doesn't come that cheap  
And I will hold you to all your promises  
If I could find one you meant to keep

That ain't no way to treat a lady  
That ain't no way to treat a woman in love  
That ain't no way to treat a lady  
That ain't no way to treat a, to treat a woman in love

You can tease me  
You can sweet talk and lead me on  
But believe me  
Won't be long till I'm catching on

For I ain't here for nothing  
And my love doesn't come that cheap  
And I will hold you to all your promises  
If I could find one you meant to keep

That ain't no way to treat a lady  
That ain't no way to treat a woman in love

That ain't no way to treat a lady  
That ain't no way to treat a, to treat a woman in love
