I can't stand another lonely night
I, I need your arms to hold me tight
Darling please, oh won't you hurry back home?
Oh, don't you let me face this night alone

'Cause I'm drowning in loneliness
Can't you hear my heart sending out an S.O.S.?

Save me, darling, won't you save me?
Oh, this heart is in distress
I need some tenderness, so take me

Take me in your arms and save me
Only you can save me, save me
Come on, bring your love around
Rescue me right now, save me

'Cause I, I'm going out of my mind
You don't know the way I'm feeling inside
Come on baby, throw me a line

'Cause I'm drowning in loneliness
Can't you hear my heart sending out an S.O.S.?

Save me, darling, won't you save me?
Oh, this heart is in distress
I need some tenderness, so take me

Take me in your arms and save me
Only you can save me, save me
Come on, bring your love around
Rescue me right now

Save me from this emptiness
Save me from this loneliness
Save me, can't you hear my heart calling
Calling out to you?

Save me, darling, won't you save me?
Oh, this heart is in distress
I need some tenderness, so take me

Take me in your arms and save me
Only you can save me, save me
Come on, bring your love around
Rescue me right now

Save me, only you can save me, save me
Come on, bring your love around
Rescue me right now

Save me from this emptiness
Save me from this loneliness
Save me from this emptiness
Save me from this loneliness

Save me from this emptiness
Save me from this loneliness
Save me from this emptiness
Save me from this loneliness
Save me
