I can't figure you out
But a heart must be the one thing you were born
without
I'm through wasting my time
I don't know where I'll sleep tonight

You say that you can do without me
Go ahead now, try and live without me

Baby, save up all your tears, you might need them
someday
When the tears start to fall, I won't wipe them away
When you cry in the night for the love that you need
Baby, save up your tears 'cause you'll be cryin' over me

You got used to my touch
I got used to not feeling much
Winter set in your eyes
Time will melt your castle of ice

You think that you won't feel the pain now
Your eyes'll be cryin' like the rain now

Baby, save up all your tears, you might need them
someday
When the tears start to fall, I won't wipe them away
When you cry in the night for the love that you need
Baby, save up your tears 'cause you'll be cryin' over me

You don't know it now
You don't know it now
You don't know it now
You don't know it now
You don't know it now

But some wounds get deeper with time
You don't need it now
Till the need burns a knife turns, your heart bleeds like
mine

Baby, save up all your tears, you might need them
someday

When the tears start to fall, I won't wipe them away
When you cry in the night for the love that you need
Baby, save up your tears 'cause you'll be cryin' over me

Baby, save up all your tears, you might need them
someday
When the tears start to fall, I won't wipe them away
When you cry in the night for the love that you need
Baby, save up your tears 'cause you'll be cryin' over me

You'll be cryin' over me
You'll be cryin', cryin' over me
Cryin' over me
Oh yeah, oh yeah, oh, cryin' over me
