Loving you's not easy, you make me fall to pieces  
So many times the pieces just don't fit  
I say I'm on my way out, the truth is I still stick around  
Is it love or just a sick obsession

#### CHORUS

Like a pitbull under attack  
I won't back down no I'll never make a u-turn  
Cos when it comes to you I'm stubborn!  
Like a fighter down for the count  
I'll get back up and stand my ground, cos I'm not done  
Cos when it comes to you I'm stubborn!

Loving you's not easy, I tell you this sincerely  
I guess it says more about me... inaudible  
But sometimes you notice that you're my only focus  
No matter what you put me through

#### CHORUS

You know it's so wrong, I guess it's more I'll ever learn  
I should be longer, longer!

#### CHORUS (just pitbull line)

I dig my heels along the way, you and everyone says to  
one  
Cos when it comes to you I'm STUBBOORN!

#### CHORUS
