Such a long time ago  
Now I know you woke up to find  
You were wrong, there ain't no doubt  
You put me out, nearly made me blind

You sent me a letter, brought tears to my eyes  
To tell me you'd changed after all this time  
Like a stone rolling down the mountain side  
It's over, you can't turn the time

And it's tears falling about love  
Falling without love  
Tears falling about love  
Falling without love

I was glad to be with you  
Near to you, my heart can't deny  
(Then why, baby, why)  
I was sad to leave your side  
Stripped of pride when we said goodbye  
(Goodbye, baby, bye)

With every new road you must be afraid  
With every road you're on there must be a man  
And the rain only lasted so long

It's over, the thing we had is gone

And it's tears falling about love  
Falling without love  
Tears falling about love  
Falling without love

You tell me you've changed but tears in my eyes  
Say you'll be right after all this time  
It's like a stone rolling down the mountain side  
It's over, you can't turn the time  
And nothing's gonna stop my crying

Tears falling about love  
Falling without love  
Tears falling about love

Falling without love

Tears falling about love

Falling without love

Tears falling about love

Falling without love

Tears falling about love

Falling without love

Tears falling about love

Falling without love
