Yeaah the right thing to do would be to let me down
easy
Yeah the right thing to do would be to just come clean
But since you don't have an honest bone in your body
And you can't seem to tell the truth
I'm gonna have to do it for you

This is gonna hurt
This is gonna ache
This is gonna sting like a bite from a rattle snake
This is gonna burn
This is gonna break just like every promise that you
make
Tears are gonna fall baby I'mma dub seven falls (what)
You better believe this is gonna hurt you more than it's
gonna hurt me

AAAGGHHH WHEEEY (Bonnie wail)

There's a tiny piece of me that feels sorry for you
Yes I hear your four wheel pull up in my drive
'Cause you had no idea what you were walking in to
Oh but hunny I can't lie which kind of makes it sweeter

This is gonna hurt
This is gonna ache
This is gonna sting like a bite from a rattle snake
This is gonna burn
This is gonna break just like every promise that you
make
Tears are gonna fall baby I'mma dub seven falls (what)
You better believe this is gonna hurt you more than it's
gonna hurt me

YEAAAHH OOOHHH YEAAAHH

Every night it's a pain I felt boy you better brace
yourself

This is gonna hurt
This is gonna ache

This is gonna sting like a bite from a rattle snake
This is gonna burn
This is gonna break just like every promise that you
make
Tears are gonna fall baby I'mma dub seven falls (what)
You better believe this is gonna hurt you more than it's
gonna hurt me

THIS IS GONNA HUUURT YOU YEAAAHHH
THIS IS GONNA HURT THIS IS GONNA BREAK
This is gonna hurt you more than
This is gonna hurt you more than
This is gonna hurt yooou
