(Turnaround)

Every now and then  
I get a little bit lonely  
and you're never coming around

(Turnaround)

Every now and then  
I get a little bit tired  
of listening to the sound of my tears

(Turnaround)

Every now and then  
I get a little bit nervous  
that the best of all the years have gone by

(Turnaround)

Every now and then  
I get a little bit terrified  
and then I see the look in your eyes

(Turnaround bright eyes)

Every now and then I fall apart

(Turnaround bright eyes)

Every now and then I fall apart

(Turnaround)

Every now and then I get a little  
bit restless and i dream of something wild

(Turnaround)

Every now and then I get a little bit  
helpless and im lying like a child in your arms

(Turnaround)

Every now and then I get a little bit angry  
and I know I have to get out and cry

(turnaround)

Every now and then I get a little bit terrified  
but then I see the look in your eyes

(Turn around bright eyes)

Every now and then I fall apart

(Turn around bright eyes)

Every now and then I fall apart

And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right

Cause we'll never be wrong together  
We can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight

Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart  
Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart  
(repeat 2x)

Turnaround bright eyes  
Turnaround bright eyes  
Turnaround, every now and then I know  
you'll never be the boy you always wanted to be  
Turnaround, every now and then I know  
you'll always be the only boy who wanted me the way  
that I am  
Turnaround, every now and then I know  
there's no one in the universe as magical and  
wonderous as you  
Turnaround, every now and then I know  
there's nothing any better and there's nothing I just  
wouldn't do  
Turnaround bright eyes, Every now and  
then I fall apart  
Turnaround bright eyes, Every now and  
then I fall apart

And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
Cause we'll never be wrong together  
We can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight

Once upon a time I was falling in love  
But now I'm only falling apart  
Nothing I can do  
A total eclipse of the heart  
Once upon there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart  
Total eclipse of the heart  
Total eclipse of the heart  
Total eclipse of the heart
