There's a light, a certain kind of light
That never shone on me
I want my life to be lived with you, lived with you

There's a way, everybody says
For each and every little thing
But what good does it bring
If I ain't got you, if I ain't got you

Baby, you don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
The way I love you

In my pain I see your face again
It's burning in my mind
You ain't got to be so blind
That I'm alive, you can't ever live a lie

I'm a woman, can't you see what I am
I live and breathe for you
But what good does it do
If I ain't got you, if I ain't got you

Baby, you don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
The way I love you, I love you
No, no, no, no, no, no, no, no, no

There's a light, a certain kind of light
Baby, shining light on me
I want my life to be lived with you
I wanna live with you for the rest of my life

Yeah, you don't know what it's like
No, no, no, you don't know what it's like
To love somebody, to love somebody
The way I love you
Oh, baby, baby, baby, baby, baby
You don't know what it's like
To love somebody, to love somebody the way I love you

To love somebody, to love somebody the way I love you
