I, I take the narrow,
I take the narrow, road to lead.
I, I fall to the wider,
I fall to the wider, road ahead,
I try not to listen,
To the voices, in my head.
I stick to the narrow,
Stick to the narrow, road ahead,
Road ahead.

It's the strangest thing,
You blow my world apart.
It's the strangest thing inside my heart.
And I know,
Love is the strangest thing.
It is the strangest thing.
I've said that I, know,
Love is the strangest thing,
It is the strangest thing.

I, I've never wanted,
No I've never wanted for anything.
I, I've touched the gold,
And the sadness, it can bring.

I've felt the healing yes,
I've felt the healing of the Lord.
I, I've seen the strangest things,
I've seen the strangest thing.

It's the strangest thing,
You blow my world apart,
It's the strangest thing, inside my heart.
It's the strangest thing,
To never know an end,
It's the strangest thing ever to start.
And I, know,
That love is the strangest thing,
It is the strangest thing.
I said that I know,
Know cause love is the strangest thing,
It is the strangest, strangest thing.

I know your love, is the strangest thing,
I know your love, is the strangest thing.
