[Originally by Millencolin]

Could it be I'm a lonely one
That made everything so upside down now
Could it be all the lies I told that gave
Nightmares to me after an olympic day
You said everything was fine
But I saw you through
And I knew that I was just as bad as you.

Never said I would give you up
But if I must then tell me why now
Never said I believed in all those things I've heard
About you from those rumours now
I saw everything was fine
And you proved me wrong
And now I was taken by surprise

Taken by surprise

Don't like me, don't like me,
Don't you know I'm good for nothing,
Don't like me, was what you told me when I called you
up.
Don't like me, don't like me,
Don't you know I'm good for nothing,
Don't like me, whatever I may say to make you feel that
way.

Could it be I'm a lonely one
That turned everything so upside down now
Could it be that you told me that you still loved me that
Made me change so quickly now
I heard me when you called.

Don't like me, don't like me,
Don't you know I'm good for nothing,
Don't like me, was what I told you when you called me
up,
Don't like me, don't like me,
Don't you know I'm good for nothing,

Don't like me, and I saw inside I know I want you to
Didn't want to tell you what to do.
