[Originally by Descendents]

Started on a summer sunday,
The pink dress on the setting sun
You were going to grandma's house,
I was too scared to come

Chorus

Silly girl, I'm beggin' you (tell me all the things I want to hear)
Silly girl, I'm in love with you

I had to run to catch you,
You always move so fast
With your cute little smile and silly laugh,
God gave me love at last

[Chorus]

They said just stay away
And now I wish I had
I'm so in love with you,
My silly girl
They made me go away,
Sometimes life isn't fair
But I'll be back some day,
I hope you'll still be there

[Chorus]

When you're just a silly boy like me,
You're always so scared
I was too scared to love you,
Even though I really cared
