And false accuse me

My heart is free
It's my recovery
I'm feeling better

I feel good inside
The heartache and
Pain have gone, yeah

You treated me like
A heart that was used
But I've gotten over you

My heart is free
It's my recovery

Crying, oh, no

You treated me like
A heart that was used
But I've gotten over you

My heart is free
It's my recovery
I'm feeling better
(Recovery) so much better

Recovery, my heart is free
Feeling better (feeling better)
So much better (so much better)
Feeling better (feeling better)
I feel, I feel mmm mm...
