Safe and sound, baby  
I don't worry no more  
I finally made a score, yeah

Safe and sound  
Don't have to cry  
Safe and sound  
Kiss them heartaches goodbye

I'm so proud that you're my guy  
I'm safe and sound ever since  
I found the tenderness in you, yeah

Safe and sound, baby  
I always got a date  
You're my dependable mate, yeah

Safe and sound  
No more lonely nights  
Safe and sound  
I'm sunshine bright

When I'm with you  
My mind's at ease  
I'm safe and sound ever since  
I found the tenderness in you, yeah

I got your tender love  
I got your big, strong arms  
I got your warm, warm charms  
I got your mmm, mmmm

Safe and sound, baby  
I don't worry no more  
I finally made a score, yeah

Safe and sound  
Don't have to cry  
Safe and sound  
Kiss them heartaches goodbye

I'm so proud that you're my guy

I'm safe and sound ever since  
I found the tenderness in you, yeah

I'm safe and sound  
With the love that I found  
I'm never blue  
When I have you

My lonely nights  
Are sunshine bright  
I'm safe and sound ever since  
I found the tenderness in you, yeah

I got your tender love  
I got your big, strong arms  
I got your warm, warm charms  
I got your mmm, mmmm...
