With Bobby McClure

You're gonna

Miss me, miss me

You've been listening to people talk

But, baby, you ain't got no clue

Cause I know I been true to you

And, baby, that's the natural truth

What people say don't mean a thing

But if that's the way you feel

You give me back my ring

But you'll miss me, yeah, baby

Miss me, baby, when I'm gone

Let me tell something

I've gotten hip to your little games

And you won't make a fool of me

Cause if you didn't like my apples, baby

Tell me why did you shake my tree, yeah

I won't be a part of your girl parade

I'd rather give up love and be an old maid

But you'll miss me, yeah, yeah

You're gonna miss me

Baby, when I'm gone
Just because I let you spend my money
You must have thought I was your fool
No, no, no, no, your little change
Don't excite me, baby, cause now
My bank account is cool, yeah
There ain't no use in you shedding tears
Cause, baby, I can stand the test
Oh, let me tell you now
I'm not crying cause I feel sad
These are tears of happiness
Don't you try and fool me
Cause there ain't no use
What's good for the gander
Is good for the goose
But you'll miss me, yeah, yeah
You're gonna miss me
Baby, when I'm gone
But you're gonna miss me, yeah, yeah
You're gonna miss me, oh, yeah
You're gonna miss me, yeah, baby
You're gonna miss me, oh, yeah...
