As I see her now
She's a punk rocker
With purple spike hair
She goes to our shows
Says we got softer
We're not politically correct

With tattos huuuuu...
Yeah she dropped out of school
And she's doing the scene
I guess now she rulles

She's more radical than you

She says my time is over
And she'll throw a party as soon as I'm dead
It won't last, just passed
Get out it's time you go
And that's about it

She won't talk to me 'cause my decision
My bubble punk is dead
Says we'll never be like bad religion
So high we'll never get

With tattos huuuuu...
Yeah she dropped out of school
And she's doing the scene
I guess now she rulles

She's more radical than you

She says my time is over
And she'll throw a party as soon as I'm dead
It won't last, just passed
Get out it's time you go
And that's about it

Well you know is sad
To be so mad
You used to show me
But it's not that bad

I'll be so glad to hug you again
