The place that I called home  
Is not there anymore  
I've lost my seat inside, it's hard to say

Goodbye  
There's no one by my side

I found my way  
I guess I won't you let down  
Alone and frustrated  
You're sad and I'm jaded

Go around  
There's a long road and a hard way to go  
Go around  
It's a tough world, but there's hope for me now

For faith in me you lack  
This time I will fight back  
We both are in this game,  
There's no time to complain  
Let's start from scratch again

I found my way  
I guess I won't you let down  
Alone and frustrated  
You're sad and I'm jaded

Go around  
There's a long road and a hard way to go  
Go around  
It's a tough world, but there's hope for me now

No I won't give up now, I won't let you down
