I was sent here to do a dirty job
I'm sorry
What is love gotta do with this world
I'm sorry
Now I'll take it away from your heart
Shadows over your bed
played they part for now
You're not ready to go, you cry

I was wondering what went wrong
Give it up, time is up,
Give it up, good bye for now
Give it up

The book is closed, the coffin too,
your breath is gone, I'm sorry
Empty hole, I'm getting through,
a resting place, so boring

Is there something you want me to say?
So I can finally go on with my life for now,
maybe get on my knees and cry

I was wondering what went wrong
Give it up, time is up,
Give it up, good bye for now
Give it up
